**Our virus protection strips out all files with ZIP extension. Meaghan is at the ICP now. If you are there, please find here so she can get the maps printed**

**For ZIP files, please rename extension before emailing to anyone with an EPA email domain.**

Good evening,

Attached are the maps you requested.

Please note that WW ID 12140001 was listed as a Harris system in the spreadsheet, but it fell within the boundary of Fort Bend. It was not included in the maps.

Thanks,

**Importance:** High

Attached. Needs maps by county and by type (separate maps for DW and WW). Ok if Harris county needs multiple pages so we can see th fac IDs better for team assignments.

Thanks,
